| Product Name: | PH-ABT-HC-26G                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |
| Description:  | <p>Premier Pharmacy/Vaccine Glass Door Refrigerator</p> <p>26 Cu. Ft. capacity</p> <p>One swing glass door, self-closing (energy efficient, double pane vacuum insulated), right hinged, not reversible</p> <p>Microprocessor Temperature Controller</p> <p>Adjustable operating temperature range: 36°F – 46°F (2°C – 8°C)</p> <p>Calibrated using a NIST traceable device, certificate included</p> <p>Standard Digital Temperature Display and Alarm Module with battery back-up to support temperature monitoring and alarms</p> <p>Sample simulated digital temperature display; .1° Resolution</p> <p>Adjustable temperature display in Celsius or Fahrenheit</p> <p>Audible and visual high/low temperature alarms</p> <p>2 probes; 1 in air and 1 in sample bottle</p> <p>Sensor error alarm</p> <p>Power failure alarm</p> <p>Resettable 1-point Min/Max History</p> <p>Remote alarm contacts</p> <p>Alarm validation (audible, visual, and remote alarm)</p> <p>Alarm mute with ring back</p> <p>6 total shelves, 4 adjustable plus 2 additional</p> <p>Vaccine storage power cord warning label</p> <p>Forced draft air circulation</p> <p>Keyed door lock</p> <p>Magnetic door gasket for positive seal</p> <p>Heavy duty door handle</p> <p>LED interior lights are safety shielded and switch controlled</p> <p>Swivel Casters (3 ½")</p> <p>Probe access port (⅜")</p> <p>Powder coated steel white exterior and interior</p> <p>Hydrocarbon, natural refrigerant (R290)</p> <p>Pharmacy refrigerator/freezer toolkit and temperature logs</p> <p>Two year parts and labor warranty, plus an additional three year compressor parts warranty</p> <p>Exterior dimensions: 28 ⅜" W x 35 ½" D x 81 ¾" H with casters; 78 ¼" H without casters</p> <p>Cycle defrost</p> <p>115V, 60 Hz, 3 Amps, 1/5 HP</p> <p>ENERGY STAR CERTIFIED</p> <p>ETL listed</p> <p>Shipping weight: 355 lbs.</p> |
